Hon. W. W. Husband,
Commissioner General of Immigration,
Washington, D. C.

I beg to submit as a possible interest reports from Patrol Inspectors in Charge, Brooks, Montague and Davenport, for the month of February 1925.

You will note the increased number of seizures made for violation of the Prohibition Law and I beg to renew my suggestion made several months ago that Patrol Officers be designated special Agents of the Prohibition Department and special Deputy Collectors of Customs for the specific purpose of making legal seizures.

P. L. Prentis,
District Director.
