My dear Congressman Hudson:

Hon. Robt Carl White, Assistant Secretary of Labor, has referred to me for acknowledgment your letter of the 12th instant, requesting information as to the number of men actually engaged in doing border patrol duty under the Department of Labor.

The number of employees in the Immigration Border Patrol Service who are actually engaged in patrolling the border is 738.

The complete organization of the Immigration Border Patrol will be found on pages 21, 22, 23 and 24 of the hearings before a subcommittee of the Committee on Immigration and Naturalization, dated January 10, 14 and 26, 1928, a copy of which is enclosed.

If you desire any further information on the subject please let me know and I will endeavor to furnish it.

Very sincerely yours,

(Signed) HARRY E. HULL
