U. S. DEPARTMENT OF LABOR  
BUREAU OF IMMIGRATION  
Washington

No. 55605/634  
55601/816

July 3, 1928.

THIRTEENTH SUPPLEMENT TO GENERAL ORDER NO. 10.

SUBJECT: Voluntary departure under certain conditions compliance with warrant of deportation.

**INDEXED**

The department is now making it a practice, in appropriate cases, to incorporate in warrants of deportation statements to the effect that the alien involved may ship foreign as a seaman or otherwise voluntarily depart with the consent of sureties (where the alien is enlarged on bond) or under proper safeguards (where the alien is not so enlarged) to insure departure, and that departure in either manner will be regarded as a sufficient compliance with the terms of the warrant.

In any cases where the warrant of deportation provides for shipment foreign without any provision, however, for voluntary departure by other means, such voluntary departure may be permitted, with consent of the sureties, if the alien is at large under bond, or under proper safeguards if he is not at large under bond, and such departure will be regarded as a compliance with the terms of the warrant. In no such case will an alien be permitted voluntarily to depart for foreign contiguous territory or adjacent islands when the warrant clearly intends that he shall be deported elsewhere, unless authority for such action is given.

In every case of such voluntary departure or shipment foreign, the warrant of deportation must be so indorsed as clearly to show either that the alien departed voluntarily or shipped foreign as the case may be. However, such voluntary departure or shipment foreign will be regarded as deportation, so far as the right of the alien to return to the United States is concerned.

Commissioner General.
