Mr. Harry E. Hull
Commissioner-General
U. S. Department of Labor
Bureau of Immigration
Washington, D. C.

My dear Commissioner:

Your letter of June 24th to General Reckord has been turned over to the writer, and under separate cover for your information I am mailing copy of the pamphlet on the National Police School which will give complete information regarding the activities at Camp Perry.

I am also mailing you a copy of the July issue of The American Rifleman and in the Police News on page 37 you will notice an article on the Border Patrol which defeated a picked El Paso revolver team.

I am certain from the organization you will find that you have several officers who are eligible and who undoubtedly would be glad to take the Police School and enter the Police Matches at Perry.

A few weeks ago while I was in Lansing, Mich., attending the State Revolver Matches, I had opportunity of meeting some of the Border Patrol boys who had come over to attend the matches with the hopes of getting information and instructions, and I am sure that they might be interested in the event you could see your way clear to permit them to attend Perry.

I will be very happy to forward additional copies of the Police School pamphlet or The American Rifleman in the event that you would like them for further distribution.

With kind regards

Cordially yours,

NATIONAL RIFLE ASSOCIATION
