Commissioner General of Immigration,  
Washington, D. C.

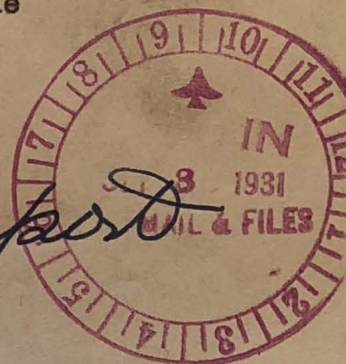

SEP 4 1931

(Attention: Mr. Shaugnessey)

Am enclosing herewith File No. 55751/676 with replies to communications from the various Border Patrol Districts in connection with the target practice and the shooting records of the various patrol officers.

You will note, the writer has endeavored to explain the decision of the Bureau against the attendance at the Camp Perry meet this year, and to encourage the interest in the care and use of firearms.
