

December 3, 1934

Commissioner of Immigration and Naturalization
Washington, D. C.

During the recent trip of inspection by Supervisor Kelly, a considerable number of patrol inspectors made inquiry as to whether authority could be obtained for patrol inspectors wearing slacks during the summer months, and Mr. Kelly made the suggestion that a vote be taken of the patrol inspectors; that the months be limited to June, July and August; and that it be made plain to the patrol inspectors that the slacks would have to be kept pressed and in good condition at all times.

The result of this vote is as follows:

	<u>For slacks</u>	<u>Against slacks</u>
Pembina Subdistrict	17	8
International Falls Subdistrict	18	3
Kenmare Subdistrict	13	7
Total	48	18

I do not favor the idea myself, but in view of the overwhelming majority, the matter is submitted to the Central Office for such action as it may care to take.
