Central Office,
Immigration & Naturalization,
Philadelphia, Pennsylvania.

55853/117-C

On even date, this office approved the recommendation of the Officer in Charge, Immigration Camp, Fort Stanton, New Mexico, that the temporary guards at that place should provide themselves with uniforms similar to those used by Patrol Inspectors for "rough duty" wear. It was also specified that a uniform cap with grommet, a type formerly used by Patrol Officers, be worn by the guards.

It is not believed that the guards need be provided with collar or shoulder ornaments. However, it is requested that cap insignia and badges be furnished for issuance to the following guards now on duty at the Immigration Camp, Fort Stanton, New Mexico:

Ross E. Aldrich
Seymour M. Cozzens
James M. Dockray
Elijah L. Daniel
Pat K. Farrar
Dee Hickman
Wayland Hill
John R. Hobbs
Lloyd C. Hulbut

Arba W. Jones
Grady L. Montgomery
Philip C. Reynolds
Charles H. Russell
Albert Washington Shaw
Deward Walker
Joe Vecchione
Jack C. Grisson

In this connection, advice is requested as to whether the Central Office desires to furnish Identification cards to these officers. In the event cards are to be issued, appropriate photographs will be submitted.
